## **DETAILED ACTION**

### ***Election/Restrictions***

Claims 38-112 withdrawn from further consideration pursuant to 37 CFR 1.142(b), as being drawn to a nonelected invention/species, there being no allowable generic or linking claim. Applicant timely traversed the restriction (election) requirement in the reply filed on 8/7/2007.

Applicant's election with traverse of claims 1-98 in the reply filed on 8/7/2007 is acknowledged. The traversal is on the ground(s) that the restriction does not provide serious burden for the examiner or show why the various independent claims may be distinct. This is not found persuasive because as previously stated, the invention was claimed with certain limitations and movements, which may be directed to separate inventions, requiring varying search and consideration.

The requirement is still deemed proper and is therefore made FINAL.

### ***Oath/Declaration***

It does not state that the person making the oath or declaration acknowledges the duty to disclose to the Office all information known to the person to be material to patentability as defined in 37 CFR 1.56.

### ***Information Disclosure Statement***

It is noted that the IDS cited submitted on 11/2/2004 containing the NPL directed to the slides from the "Total Knee Arthroplasty experience" shown in March of 2002 was not considered because it was not able to be scanned. An updated IDS has been submitted herewith.

***Allowable Subject Matter***

Claims 1-37 are allowed.

***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
